The event, presented by **Causeway Family of Dealerships** and **Causeway CAREs**, will be held at Southern Regional High School on October 16th.

**TOMS RIVER, NJ** – It’s almost time to lace up those sneakers and support a great cause! The 5th Annual Causeway 5K will be held on Sunday, October 16th at Southern Regional High School, 90 Cedar Bridge Road in Manahawkin. The event, presented by Causeway Family of Dealerships and Causeway CAREs, starts at 8:45am (walkers) and 9am (5K) and all proceeds will benefit Fulfill and Family Promise of Southern Ocean County.

The flat and fast course is chip timed. The day will feature overall and age group awards, as well as door prizes. T-shirts are guaranteed to the first 250 registrants.

The cost to walk or run is \$40 through September 30th, and \$45 after September 30th and on race day. Students (18 years old and under) can receive \$10 off by using the promo code: STUDENT. All registrations must be completed online at [www.raceforum.com/CAUSEWAY](http://www.raceforum.com/CAUSEWAY). There will be no paper copies on race day. Participants will receive a confirmation email with a bib number to bring to the event.

“We carefully selected Fulfill and Family Promise of Southern Ocean County as this year’s 5K beneficiaries because both organizations are on a mission to battle hunger and homelessness in

Ocean County, which is something that Causeway cares deeply about,” said David C. Wintrode, President of Causeway Family of Dealerships/Causeway CAREs. “The demand for food at the Jersey Shore is up 60 percent so far this year, according to Fulfill. We need to do our part to bring this statistic down.”

Fulfill has been a 5K beneficiary since the race’s inception five years ago. The nonprofit’s mission is to alleviate hunger and build food security in Monmouth and Ocean Counties and make sure that all people at all times have access to enough nutritious food to maintain an active and healthy life.

This year, Family Promise of Southern Ocean County was also selected as a 5K beneficiary. Its mission is to partner with communities to guide homeless children and their families toward achieving sustainable independence.

Last year, the 4th Annual Causeway 5K raised over \$40,250 and saw a 50 percent increase in runners/walkers from the prior year.

# CHILDREN AND FAMILIES ARE GIVEN THE OPPORTUNITY TO ENGAGE WITH THE ARTS

***The Community Arts and Music Programs (CAMP)*** is one of the many programs at the Jay and Linda Grunin Center for the Arts that has helped transform arts engagement in Ocean County.

**TOMS RIVER, NJ** – “The coolest thing just happened in this room... and everybody saw it,” said the Amazing Max Darwin. “If you [the audience] just saw a beautiful young lady floating in the air, please raise your hand [hands go up all around the theatre]. You were FLOATING [pointing to Catherine]. Look... everybody saw it. So now your name is not Catherine. You are Catherine the floating girl.”

With her eyes wide and mind bewildered, Catherine was in awe that she was part of something that could only be described as one thing – magical. It was a moment that she will remember forever.

Experiences like this happen regularly at the Jay and Linda Grunin Center for the Arts at Ocean County College.

The Amazing Max was a part of the 2022 Community Arts and Music Programs (CAMP) available at Grunin Center over the summer months.

CAMP was started in 2017 after David C. Wintrode, President of Causeway Family of Dealerships/Causeway CAREs, had an idea to create a series of performances for the community that would focus on things that are really fun, but also educational.

“Many children never have the opportunity to see live shows,” said Wintrode. “These programs would give school-aged children and individuals with special needs the opportunity to engage with the arts.”

Heidi M. Sheridan, Interim Executive and Artistic Director for the Jay and Linda Grunin Center for the Arts, also notes that many places are eliminating music and arts from their programming. “We are stepping into make sure that children have these collective, shared experiences,” she said. “We really want children to feel like anything is possible.”

“This year, thanks to the generous support of the Wintrode Family Foundation and the Ocean County College Foundation, we hosted five artists for CAMP performances,” said Jaclyn Wood, Assistant Director, Education & Community Engagement at the Jay and Linda Grunin Center for the Arts. “All the CAMP events were fully funded by these organizations and free for attendees.”

When it comes to selecting entertainers, it is a collaborative effort. “I will talk to different agents and artists and even see them perform,” said Wood. “I am looking for artists who are not just good at what they do, but they give these children an experience they will never forget.”

Once Wood has a list of vetted performers, Mr. Wintrode, alongside a committee, will select the talent.

This year’s programming included Jeff Boyer’s Big Bubble Bonanza, Doktor Kaboom’s Look Out- Science is Coming!, Twinkle Time, The Amazing Max and Christopher Agostino’s Storyfaces.

“The CAMP series has a lot of heart because it started in a very pure way,” said Wood. “The goal has always been to give kids the opportunity to be more involved with the arts.”

This summer, the CAMP series saw 2,880 attendees with both The Amazing Max and Storyfaces being filled to capacity.

Information about these shows was sent directly to camp leaders, as well as shared on the Grunin Center website and Facebook page

**Pictured from left:** Joe Stroffolino, Director of Advertising and Marketing of Causeway Family of Dealerships/Causeway CAREs; Jaclyn Wood, Assistant Director, Education & Community Engagement at the Jay and Linda Grunin Center for the Arts, and Heidi M. and in the Grunin Center season brochure. In addition to camps and community groups, families and homeschool groups came to performances.

“We were pleased to welcome back groups who had attended these performances in the past, as well as some new groups,” Wood added.

Past participants who were in attendance this year included: Ocean County YMCA, YMCA Camp Zehnder, Point Pleasant Recreation, Little Egg Harbor’s Summer Splash, Lacey Schools Extended School Year (ESY) Program and Prime Time Center. New groups included: Red Bank YMCA, Freehold YMCA, Innovate Kids Club, My Jacob’s Ladder and Community Options.

Groups were extremely excited to be back, but perhaps the biggest challenge this year was getting them to the venue.

“Transportation was often an issue, with groups not having the funding to pay for a bus to bring them to the Grunin Center, but this year was especially challenging because of a bus driver shortage,” said Wood.

That’s when the Wintrode Family Foundation and the Ocean County College Foundation stepped in to help.

“Thanks to additional support from these organizations, we were able to bring 756 campers and camp leaders to the shows who wouldn’t have been able to attend otherwise by booking charter buses to transport them,” said Wood. “I am so thankful for the support of these two organizations because without them these programs would not be possible.”

Looking back, perhaps the best part of the CAMP series is watching kids come into the lobby and you can see that they are just so excited to be there, according to Wood. “Everyone feels a sense of wonder and that anything is possible,” she said. “You can come here and have an experience that you will remember for the rest of your life.”

***To learn more about the CAMP series or to reserve your group for a future event, please email Jaclyn Wood at [jwood@ocean.edu](mailto:jwood@ocean.edu).***

## UPPER SHORES BRANCH TO PRESENT ‘DOROTHY QUINCY HANCOCK: WITNESS TO A REVOLUTION’

LAVALLETTE – Gain a unique perspective on the birth of our nation, when the Ocean County Library Upper Shores Branch presents historical interpreter Kim Hanley in, “Dorothy Quincy Hancock: Witness to a Revolution,” 2 PM Saturday, September 24.

Dorothy Quincy and her wealthy fiancé, John Hancock, were in Massachusetts in April 1775, when the “shot heard ‘round the world” was fired. Newly wed in 1776, she was his unofficial secretary when John signed the Declaration of Independence in Philadelphia. Two years later, the Bread Riots of France threatened the delicate French Alliance until Dorothy's valuable diplomatic skills rescued the pact in Boston. She carried on and amassed many of the most fascinating tales of the war with England.

Actor-singer-dancer-costumer Kim Hanley has re-created historical figures in the White House Visitors Center, National Archives, National Portrait Gallery, Mount Rushmore, and dozens of sites in New York, Philadelphia, Delaware, Pennsylvania, and Washington, DC.

# Happy Autumn!

We hope everyone had a great summer and has eased back into the swing of things as students return to school and summer vacations become fond memories.

No matter the month or the season, we are always grateful for all the support we receive from the community as we continue to help our neighbors dealing with difficult situations. Thank you for making our summer events fun and successful.

Thank you to all our sponsors, donors, volunteers and golfers who helped make our 2nd Annual Family Promise SOC Golf Classic a resounding success! The outing is our main fundraiser for the year and helps fund the services we provide to families throughout Ocean County who are experiencing homelessness or who are on the verge of losing the place they call home. Thank you all again!

Thanks to everyone who came out to Family Promise SOC day at the Jersey Shore BlueClaws! It was a great day out for so many families.

Thanks to Long Beach Township and their sponsors for including us as part of their Movies Nights on the Beach this summer. Thanks to everyone who came out for fun evenings on the sand and for visiting our concessions stand for the popcorn, candy and soft drinks! We are already looking forward to the beach movie nights next year.

Thank you to everyone for your generous donations of new school supplies for local children who are lacking the basic tools for learning as they return to the classroom. And thanks to our drop-off locations and the volunteers who sorted all the school supplies. We wish all our local students a successful school year!

The air is still warm and there are other holidays on the calendar but before we know it thoughts will turn to the Christmas season. We are happy to announce that this year we will again be hosting Pictures with Santa for your family and pets at the Mainland in Manahawkin on Sunday, December 4 from 1-4 pm. The proceeds will go directly toward our programs to help local families dealing with the realities of homelessness.

Thank you to all who support Family Promise of Southern Ocean County throughout the year.

Without you, we cannot offer our services to local families facing homelessness!

As the housing crisis grows and rents continue to rise the need for aid to local, working families with children is greater than ever. Thank you for your continued support and donations. # THE DINE ON US INAUGURAL GOLF INVITATIONAL BLOWS THEIR GOLFERS AWAY

they walked on to the greens to play their round of golf to help raise funds for Dine on Us and their mission to offer off base dining and entertainment opportunities for our NJ active military who are not able to do so for themselves due to severe economic hardships.

When Cliff Baker, Dine on Us, partnered with Irving Fryar and Vincent Capriotti of Wings and Things, they had huge plans on bringing a celebrity golf outing to the Jersey Shore. They knew to make this happen they needed to put together a winning team.

Their first move was to bring on Greg from GEM. Greg’s 30 years of golf event management was key to making sure the event would run smoothly. Next, they formed a committee lead by Chrissy Cleveland, Rick Papsin, Lou Dubicki, Aangad Dhir, and Mike Little.

Irving and Vinny then went to work on the players. Irving called in his long-time friends, Sterling Sharpe, Mike Rozier, Fred Baxter, and Stephen Baker. Kim Schimenek, of Warmed Housing, brought former Giant, Charles Way.

Once the line up was set, our sponsors couldn’t wait to join. Our Presenting Sponsor was Mike Little of KW Shore Properties and KW Preferred Properties. Lithium sponsors were World Logistics, Father and Son Sports Card and Memorabilia, The Divide Line,

The golfers had no idea a #1 draft pick, a Heisman trophy winner, two Super Bowl champions, and a Hall of Famer NFL player were going to be on the course. That is who they saw when

an affiliate of Fox Sports the Gambler, Mo Sports Network. Gold sponsors were Beach Financial Group, Jackson Insurance, Hard Rock Casino AC, Lifetime Brands, Mikasa Hospitality, MK Foodservice, Toms River Marine & Motorsports. Silver Sponsor was The Crab’s Claw. Bronze sponsors were Greentree Mortgage and Shore Property Title. Copper Sponsors were Best Travel to Paradise, Carl’s Fencing, Decking, and Home Improvement.

The Causeway Family of Dealerships was our \$20,000.00 Putt Off sponsor.

The surprise hit of the day was the golf ball launcher. You aim a plastic PVC bazooka looking tube at the hole three hundred feet away, pull the trigger then hear and

watch your ball launch down the green. The golf ball launcher, sponsored by World Logistics, was talked about by all after the round.

“The round of golf was the best, the NFL players were awesome! Let’s goooo!!!!”, said Mike Feerst as he walked off the 18th hole. That was the same buzz by all the golfers as they all settled back in for dinner from a beautiful day of golf. The NFL alumni were great sports, they laughed, joked, and played a competitive round of golf with each foursome.

Dine on Us Board Members, Rick Papsin and Chrissy Cleveland, said you couldn’t have asked for a more perfect day for the First Annual Celebrity Golf Invitational and can’t wait to start planning next year!

In addition to all the NFL celebrities in attendance, the round of golf was covered live by the hit show, Divide Line, an affiliate of Fox Sports the Gambler.

You know the day was a success when the golfers and NFL athletes all said to count them in for next year. The team from Dine on Us were very pleased in estimating raising \$12,000.00 for the day. “We are really excited from the turnout and the feedback from both the golfers and NFL players. They all want to come back and play again next year! That is all the motivation we need to get started on planning for 2023” said Chrissy of Dine on Us. “That means we need to set our first planning meeting and set a date! Time to get to work! See you soon with a Save the Date!”

I cannot believe it is already September! I have always looked forward to this time of year for all the changes it brings. There are so many wonderful memories from my childhood this time of year that I like to recreate and share with my daughter.

Soon enough, we will be going apple picking, pumpkin picking, hayrides, and of course baking. I can remember fondly growing up and baking with my aunt, cousins and always my nana. There was this one cookie that my nana and I made that has since been my absolute favorite, it is the “Ricotta Cookie”. This was typically made around Christmas however I usually can’t wait that long. My daughter and I whipped up a batch the other night and I assure you, they will be one of your favorites too!

RICOTTA COOKIES

Ingredients for Cookies:

- 1 ¾ cup sugar
- 2 eggs
- 15 ounces of Ricotta cheese – over allow ½ cup
- 2 tablespoons vanilla extract
- 4 cups all-purpose flour, sifted
- 1 teaspoon baking soda

- 1 teaspoon baking powder
- Orange zest from half an orange, plus 4 teaspoons of orange juice

Ingredients for Icing:

- 5 tablespoons of whole milk
- 1 ½ cups confectioners’ sugar
- 1 teaspoon almond extract
- Orange zest from half an orange

Directions:

Preheat oven to 350 degrees. Combine all cookie ingredients together until well mixed. Spoon about 2-3 tablespoons of cookie dough and form into balls of dough. Leave about 3 inches of spacing between cookies when placing them on the cookie sheet. Baker’s tip: use parchment paper to prevent cookies from sticking and for easy clean up! Bake at 350 degrees for 15-20 minutes, until golden brown.

While the cookies are baking, combine all ingredients for icing and mix until light and fluffy. Once cookies are fully cooled, decorate with the icing and add sprinkles or your favorite cookie toppings!

# TEEN SAVED ELDERLY NEIGHBOR’S LIFE, HONORED BY STAFFORD TOWNSHIP

Nicholas Pulizzano poses with council members and police officers as he was presented with a command citation. (Courtesy of Stafford Township)

STAFFORD, NJ — A teenage Stafford resident was honored by the Township Council and police department for the actions he took to save his elderly neighbor’s life. Nicholas Pulizzano, 19, was honored through a proclamation at a recent council meeting. On Aug. 7, Pulizzano was outside when he heard faint cries for help, Mayor Greg Myhre said. He immediately began looking for the caller and found

his elderly neighbor who had fallen and was “extremely dehydrated and delirious,” Myhre said. She was in immediate need of emergency medical care, he said. Pulizzano swiftly contacted Stafford EMS, and his neighbor was taken to Southern Ocean Medical Center, where she received the lifesaving care she needed, Myhre said. “He really took action where a lot of people might have just gone about their day or said ‘none of my business,’” Myhre said. “Thanks to you, a woman is alive.” “I believe you saved that woman’s life, so you can have that with you for the rest of your life,” Police Chief Thomas Dellane said. Officer Anthony Vincent echoed the same thoughts. “There’s not many 19-year-olds in Stafford Township who have that sense of awareness and alertness to follow a faint cry for help,” he said. “He knew that cry for help was somebody that was in dire need,” Vincent said. Vincent also thanked Pulizzano’s father for breaking down the back door to get to the woman. For his actions, Pulizzano was presented with a Stafford Township Police Department command citation.

## STAFFORD TURNS TEAL FOR OVARIAN CANCER IN SEPTEMBER

STAFFORD, NJ — Stafford Township is turning teal this month. “Turn the Towns Teal” is a national campaign aimed at raising awareness for ovarian cancer. September is National Ovarian Cancer Awareness month, and Stafford is making an effort to raise awareness in town. “This month, we stand with all those who continue to fight this devastating disease and with those who have lost loved ones because of it,” Stafford officials wrote on Facebook. Ovarian cancer is the second most common gynecologic cancer in the U.S., according to the CDC. Ovarian cancer is difficult to detect early, as there is no simple or reliable way to screen for it, and symptoms often are not clear until later stages, the CDC said. Women can increase the likelihood of detection early on by recognizing warning signs and unexplained changes. “Along with the advocates, medical researchers, and health care providers who tirelessly battle this disease every day, we rededicate ourselves to the urgent work of increasing awareness and improving care for those with ovarian cancer and we continue forging a future free from cancer in all its forms,” Stafford officials said.

## WHAT IS NISSAN CERTIFIED PRE-OWNED?

Simply put, a Certified Pre-Owned vehicle is a used vehicle that’s been inspected and reconditioned but still covered with a limited warranty and purchased from a dealership. Buying certified pre-owned vehicles can be less risky than buying non-certified or privately sold used vehicles, which may not have undergone any stringent certification process.

### Nissan Pre-Owned Benefits

Each Nissan Certified and Certified Select vehicle comes with the innovation and excitement you expect from Nissan. These are not just any other used Nissan cars. Each one goes through a rigorous certification process and offers peace of mind through a limited powertrain warranty and roadside assistance.

### Nissan Pre-Owned Limited Warranties

The Nissan Certified 7-Year/100,000 Mile Limited Warranty lasts 7 years from the original new car in-service date of the vehicle or 100,000 miles, whichever comes first, and covers over 600 components including engine, transmission and drive train.

# WHEN DO YOU LEGALLY HAVE TO STOP FOR A SCHOOL BUS IN NEW JERSEY?

By Nicole Murray, WOBN

School is back in session!

I hope all my preschoolers, kindergarteners, elementary school, middle school, high school, undergrad and master students have had a great start to the school year.

So in honor of the back to school season, let’s do a bit of a refresher on pretty important a topic:

When do you legally have to stop for a school bus in New Jersey?

According to 6abc.com, this question does not have one answer because there are a few different scenarios.

Be advised that you must stop at least 25 feet away from a school bus in New Jersey to be following the law.

According to 6abc.com, if you are driving on, “a two-lane roadway, vehicles traveling in both directions must come to a complete stop.” So whether you are

behind the school bus or driving in the opposite direction: STOP.

If you are driving on, “a multi-lane roadway without a median separation or one with a center turning lane, vehicles traveling in both directions must stop,” according to 6abc.com. Basically, STOP no matter which side you are on.

According to 6abc.com, if you are driving on a, “multi-lane roadway divided by a barrier or a median, vehicles traveling in the same direction of the school bus, either in the same lane behind the bus or in an adjacent lane must come to a complete stop.”

stock.adobe.com

“If you are traveling on the opposite side of the roadway as the school bus, proceed with caution,” but you do not have to come to a full stop. So if you are on the same side as the bus, STOP.

New Jersey does not mess when it comes to the safety of our school goers.

According to 6abc.com, if you choose to ignore these rules, you could, “face fines of at least \$100, 15 days in jail or 15 days of community service or both,” for the first offense.

For subsequent offenses, drives will be fined, “at least \$250 and 15 days in jail.” It will also come with 5 points being added to your license.

Whenever in doubt, just stop for a school bus if their red stop sign is extended.

It is all of our jobs to ensure that kids of all ages make it safely to and from school every single day.

## Furry Friends

Who Need Fur-Ever Homes!

Toby is an 8 /2 year old male Pit Bull who has been in the So Ocean Co. Animal Facility since December 2019 and we just can't understand why he has been overlooked. He is a staff and volunteer favorite at the shelter. He has a great personality and is a happy, friendly dog, who knows his commands, listens and behaves well, and takes treats nicely. He loves to go on walks and walks well on a leash. He is excited to see you and would love anyone who would give him a good pet or scratch. He loves to play ball and fetch. He does have a mellow side when he would just as soon take a nap with someone. He is not a fan of other dogs, especially male dogs or cats so he needs a home as an only pet. In his previous home he did live with children but if you have children the whole family would have to come to meet him at the shelter to make sure it is a good fit for your family. If you would like to adopt Toby, please call the shelter in Manahawkin, 609-978-0127. Toby's adoption fee is covered by Mamas Gonna Rescue and he comes with a \$200 gift card sponsored by Shelter Saviors and Rescued Friends. Please help us find the perfect home for this wonderful dog.

**Toby**

Ghost & Princess are 1 ½ year old brother and sister who are very bonded to each other. Ghost is grey & white and such a cute boy. He is very playful and especially loves his fuzzy mice. Princess is also grey & white and looks very much like her brother. She is very calm and sweet and enjoys pets and attention. They groom each other, play together and cuddle together. They have been together their whole lives and get very upset when one is not with the other. They need to go to a new home together. Bonded pairs have an easier transition adjusting to a new home together. Bonded pairs always have a playmate and they find comfort in cuddling when tired or lonely. Pairs teach each other social skills and how to interact with humans. Adopting two cats is twice the love and entertainment and of course it's saving 2 lives. If you have room in your home and heart for Ghost and Princess and would like to meet them, please call the shelter in Manahawkin to make an appointment. 609-978-0127.

Please call the Southern Ocean County Animal Shelter to make an appointment to meet these fur babies! Open daily 1:00pm - 4:00pm and till 6:30pm on Wednesdays.
